THE WONDERFUL WORLD OF DISNEY

including his friendship with cyborg shipmate John Silver, a scheming pirate himself. Catch all the excitement of the movie with 21 full color 3D images.

View-Master® 3D products open up an exciting world of fun and adventure. You'll feel like you're there!

Jim Hawkins, a rebellious teen, stumbles upon a map to legendary Treasure Planet, where the greatest pirate trove of all time is said to be stashed. Jim joins the alien crew of a space galleon for a fantastic but dangerous journey through a parallel universe, and soon discovers that not everything is as it seems -
