THE STORY:

ISIS was an ancient goddess worshipped by Egyptians more than 3,000 years ago. Young Andrea Thomas, a high school science teacher, had mysteriously inherited the goddess's power!

When Noah Schuster lost his eyesight in a horse riding accident, Andrea and ISIS had a job to do. Noah refused to see with his mind what he could not with his eyes.

It took a SEEING-EYE HORSE and the might of ISIS to both save Noah's life and help him learn to live again!
